

RAMSGATE TOWN COUNCIL

A TOWN PLAN FOR RAMSGATE

A Town Plan is a document outlining what the community sees happening over the next few years. It is an opportunity for the whole community to voice their opinion on what action they wish to see taken in their local area. It may include everything that is relevant to the people who live and work in the community. It can include any social, environmental or economic issues.

A Town Plan;

- involves and includes everyone in the town;
- maps out services and facilities already in the community;
- assesses whether these are currently meeting everyone's needs;
- discovers what issues and opportunities people feel need addressing;
- sets out an achievable and long term vision for the future as a realistic and achievable action plan; and
- will inform and influence a large range of organisations that provide services to the community.

The Town Council is not necessarily responsible for provision of the services but can work in partnership with local authority agencies and service providers to achieve more efficient and robust services for its residents, traders and visitors.

Your help is needed to achieve all the above and create a Town Plan which meets your needs. Please complete this questionnaire and return it to:

For each question please prioritise each section, by ranking the issues using 1 as your highest priority and 4 or 5 as your lowest priority.

THIS SURVEY MUST BE COMPLETED AND RETURNED BY 1ST JANUARY 2013
